A website just for North Valley Los Angeles!

What is NorthValleyLA.com?

This website is to help the citizens of what is known as the North Valley portion of the San Fernando Valley of Los Angeles City (and County) have easy access to important information regarding their government, city services and community resources. As we grow and expand, our hope is to have the interaction of the community so this website transforms into a daily touchstone for all that is happening in our neighborhoods - from important news to great "happenings".

Here is a snapshot of what is on the site:

- Detailed contact information for each North Valley LA Community (listed above in the header) such as:
 - Police Dept. & Crime Maps
 - Fire Stations
 - Chamber of Commerce
 - Neighborhood Councils
 - Post Offices
 - DMV Offices
 - Wikipedia pages
 - National, State and City representatives
- Local and National Hotline numbers
- Community Resources - LAUSD, MTA, LAD-OT, DWP, Dept. Building & Safety
- Pet Information - Laws, licensing, safety, etc.
- Emergency Information - such as preparedness.
- Events - *We need your events* - Contact us!
- Deals & Coupons - Run a business? We are community minded and would love to run your "special deals & promotions." We all could use a little free promotion these days. But it has to be a *GOOD DEAL!*

We are looking for bloggers.

Do you have opinions and/or helpful suggestions for the community? Perhaps you have some fun observations of your valley life. We would like to have you blog for us. Contact us at the email below and tell us what you have in mind. You will get full article credit. We also will allow a few lines about your business as our way of saying thank-you. You just have to submit your article and we will do all the posting. If you have images, we will insert those too.

How Prepared are You?

We have great information on our website, but if you want to get trained to know what to do in an emergency and how to protect you and your family, just go over to the CERT-LA.com website. Sign up for a class. They are ongoing and so very valuable. As they say, it is not if the big one will strike, but when!
